

Opening reception of the art installation

The Children of Abraham

Tuesday July 11th 18h00

European Parliament 3rd floor, distribution area

Building bridges between religions

The art and dialogue project "The Children of Abraham" is on display in the European Parliament from July 10th to July 13th, 2017.

The art installation highlights the darkest and brightest sides of the holy books of Judaism, Christianity and Islam - and brings inspiration for an important and difficult dialogue about culture and religion in Europe.

The art and dialogue project is created by sculptor Jens Galschiøt (DK).

18h00: Welcome by Bendt Bendtsen, MEP EPP Group

18h15: Jens Galschiøt presents the art installation
